Mark your calendars for
Saturday, June 28 from
5pm – 7pm so you
won't miss our Ice
Cream Social.

We are inviting the
neighborhood to join us
for sandwiches and chips, followed with
everyone creating their own ice cream sundae.
We would like to ask all members to join us to
help meet our neighbors and share St.
Andrew's love with them.

All meetings and events will require a completed form (You can turn in all monthly meeting dates for the entire year on the same form.)

These new changes will help St. Andrew become more organized, and improve communication. Everyone's help is greatly appreciated! If you have any questions please contact Toni.

Session approved a procedure in January 2007 deciding how dates are reserved for meetings and events at St. Andrew. Please review the following:

Meetings: In order to request a date for your *meeting* to be reserved on the calendar located in the Sunday school room hallway, you now need to complete and submit a "Master Calendar Entry Request Form." These are located next to the calendar. This form will need to be completed and turned in to Toni at the office. Do not write your requested meeting date on the calendar – Toni will take care of that when it's verified that your requested date is available.

Special Events: To request a date for your *special event* (ie – Block Party, etc.) to be reserved on the same calendar, you also need to complete a "Master Calendar Entry Request Form." You will then need to turn it into a Session member for approval of your event. Please take into consideration that Session meets the second Tuesday of each month, and you will need to plan your date far enough in advance that your request can be granted.

Do not write your requested event or meeting date on the calendar – Toni will take care of that when she receives your approved Request Form for your event from Session. Toni will write it on the calendar in the hallway. It is important that Toni is aware of all events that are taking place. She is the initial contact when someone calls the church, and double booking will not happen as it has in the past. She will notify you when your date has been approved.
